

2012 KASBO Fundraiser Golf Tournament

The KASBO Golf Tournament supports a scholarship fund for Kansas Business Officials. The Kansas contention at this national conference is traditionally smaller than other states, mostly due to lack of their district support for national conferences and national professional development. They are left to fund their own way to this conference. Along with the support from vendor participation and corporate sponsors, this tournament will serve as the only funding means for this important scholarship. The number and size of scholarships are determined by an application process and at the direction of the Board of Directors. Your attendance and sponsorship will certainly increase your exposure and more importantly, KASBO at the national organization level.
